**PETITION FOR CORRECTION OF INVENTORSHIP
UNDER 37 CFR 1.48(b)**

Mail Stop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria VA 22313-1450

Sir:

Pursuant to 37 CFR 1.48(b), it is hereby requested that the inventorship of the above application be corrected by removing therefrom the name of Nathan R. Kane, leaving Peter T. Kazlas, Joanna F. Au, Yu Chen and David John Cole as the remaining inventors.

In support of this Petition, the undersigned attorney, who prepared and filed the present application, would state as follows. On March 9, 2005 an Office Action was issued requiring election between two Groups of claims. In an Amendment filed June 29, 2005, the applicants elected the invention of claims 1-15 and 24-26, and cancelled all non-elected claims. Although no Petition for Correction of Inventorship was filed with the aforementioned Amendment, the undersigned attorney has, in connection with the Response to Office Action filed herewith, carefully reviewed the inventorship of this application and has determined that, although the correct inventors were named when this application was filed, the said Nathan R. Kane is no longer an inventor of the claimed
